

SUMMARY OF PROCEDURE WHERE THE SCHOOL HAS CONCERNS, OR HAS BEEN GIVEN INFORMATION ABOUT POSSIBLE ABUSE BY SOMEONE OTHER THAN A MEMBER OF STAFF

Member of staff completes the Note of Concern on what has been observed or shared and must ACT PROMPTLY. Source of concern is notified that the school will follow up appropriately on the issues raised.

Staff member discusses concerns with the Designated Teacher or Deputy Designated Teacher in her absence and provides note of concern.

Designated Teacher should consult with the Principal or other relevant staff before deciding upon action to be taken, always taking care to avoid undue delay. If required advice may be sought from advice from the Education Authority's Child Protection Support Service.

Designated Teacher seeks consent of the parent/carer and/or the child then telephones the Children's Services Gateway Team and/or the PSNI if a child is at immediate risk

Designated Teacher clarifies/discusses concern with child/parent/carers and decides if a child protection referral is or is not required

Child Protection referral is not required School may consider other options including monitoring the situation within an agreed timescale; signposting or referring the child/parent/carers to appropriate support services

INTRODUCTION

The Child Protection Policy sets out guidance on the action, which is required where abuse or harm to a child is suspected and outlines referral procedures within our school. This leaflet provides a summary of our Child Protection policy. The full policy document is available on request from the school office or can be downloaded from the school website. All adults – teaching staff, support staff and volunteers in Omagh Academy accept that they have a primary responsibility for the care, welfare and safety of our pupils. No concern about the welfare of any child will be ignored by staff in Omagh Academy. Children’s safety and feeling secure and happy in their environment is of paramount importance.

GUIDING PRINCIPLES

The following principles form the basis of our Child Protection Policy:

- The child or young person’s welfare is paramount;
- The voice of the child or young person should be heard;
- Parents are supported to exercise parental responsibility and families helped stay together.
- Partnership;
- Prevention;
- Responses should be proportionate to the circumstances;
- Protection; and
- Evidence based and informed decision making.

THE SAFEGUARDING TEAM

A Safeguarding Team consisting of members of the Board of Governors, the Principal, Designated Teacher and Deputy Designated Teachers is also in place, ensuring that safeguarding procedures are adhered to.

THE ROLE OF PARENTS/CARERS

The primary responsibility for safeguarding and protection of children rests with parents who should feel confident about raising any concerns they have in relation to their child.

DEFINITION OF HARM

Harm can be suffered by a child or young person by acts of abuse perpetrated upon them by others.

CATEGORIES OF HARM

Harm can be caused by:

- Sexual abuse
- Emotional abuse
- Physical abuse
- Neglect
- Exploitation

Sexual Abuse occurs when others use and exploit children sexually for their own gratification or gain or the gratification of others.

Emotional Abuse is the persistent emotional maltreatment of a child. It is also sometimes called psychological abuse and it can have severe and persistent adverse effects on a child’s emotional development.

Physical Abuse is deliberately physically hurting a child. It might take a variety of different forms, including hitting, biting, pinching, shaking, throwing, poisoning, burning or scalding, drowning or suffocating a child.

Neglect is the failure to provide for a child’s basic needs, whether it be adequate food, clothing, hygiene, supervision or shelter that is likely to result in the serious impairment of a child’s health or development.

Exploitation is the intentional ill-treatment, manipulation or abuse of power and control over a child or young person; to take selfish or unfair advantage of a child or young person or situation, for personal gain.

It may manifest itself in many forms such as child labour, slavery, servitude, engagement in criminal activity, begging, benefit or other financial fraud or child trafficking. It extends to the recruitment, transportation, transfer, harbouring or receipt of children for the purpose of exploitation. Exploitation can be sexual in nature.

Information on other forms of specific abuse including grooming, children who display harmful sexual behaviour and child sexual exploitation can be found in Appendix 2 of the full policy

CONFIDENTIALITY

Information given to members of staff about possible child abuse cannot be held “in confidence”. In the interests of the child, staff have a responsibility to share relevant information about the protection of children with other professionals particularly the investigative agencies. In keeping with the principle of confidentiality, the sharing of information with school staff will be on a ‘need to know’ basis.
